Covid Testing Grievance - Reminder

The bargaining committee filed a group grievance on the excessive number of negative tests that SaskPolytech expected from those employees who chose not to vaccinate or chose not to disclose their vaccination status in response to the COVID-19 direction from the employer. Therefore we are requesting that members who were testing due to Covid and paying for the additional 2 tests, **please ensure that you retain all receipts since January 3 and send copies of your receipts in asap** to PSBUAdmin@sgeu.org.
