

## **Campus Chairs Update April 2018**

### **Job evaluation committee rep**

PSBU is pleased with the response from our members to be the representative for the next three-year term. Interested members have until April 24, to submit their name to the bargaining chair. Elections will be conducted electronically using SurveyMonkey. Detailed information on candidates and voting procedure will be sent via separate email.

### **Extended health plan**

We recently attended a meeting with the Saskatchewan Polytechnic Faculty Association (SPFA) and management, where SPFA notified PSBU that they will be looking to separate their members from the current joint plan. We will update our members as information becomes available.

### **#HumboldtStrong**

Your bargaining committee joins our membership in mourning the lives lost and families affected in the tragic accident on April 6. We have chosen to make a monetary donation directly to the GoFundMe page on behalf of our membership. Please remember to access EFAP resources as needed.

### **Bread and Roses**

Congratulations to Terri Wale and Deb Zawada-Wiebe on their recognition of their commitment to our union. They are the 2018 recipients for the SGEU Education Sector. Presentation of this award will happen at an upcoming bargaining committee meeting. Well done ladies!
