

Campus Chairs Update May 2018

Bargaining update

The latest version has been posted. Check our website on a regular basis to get up-to-date information. <http://ps.sgeu.org/bargaining.html>

Are you graduating from a post-secondary institution?

Your bargaining committee would like to recognize the accomplishments of our PSBU members. If you are/have successfully completed a credential from a post-secondary institution, let your campus chair know and we'll published your achievement in an upcoming edition of the SGE-You sector newsletter.

New position dispute

Sask Polytech has a new position that both PSBU and the Sask Polytech Faculty Association (SPFA) have determined is the work of their bargaining unit. Both parties will be presenting their case to the labour relations board in July.

Steward nominations and elections

Local steward nominations are currently happening at each campus. Watch for detailed information from your local campus committee on nominations and elections. If you are interested in getting more involved, contact your local campus chair.

Steward lunch

Your bargaining committee recently held our monthly meeting at the Prince Albert Campus. We enjoyed a luncheon meeting with the PA stewards. We look forward to travelling to the Moose Jaw Campus next month.
