

Campus Chairs Update November 2016

Long Term Disability (LTD) Committee Representative

An election will be held on Wednesday, November 9, to elect our representative on the SGEU LTD committee. A link will be emailed to each PSBU member for them to vote for one of the following three (3) candidates: Bonnie Lymer, Gerry McLellan or Brent Wilderman. Information on each candidate had been sent out last week to all members.

Outstanding Service Awards

Congratulations to Chris Chasmar, Melissa Mantyka and Colin Winter on receiving outstanding service awards. We are proud of the recognition of your accomplishments!

Parking Petition

We have developed a parking petition. Watch your email for information on how to let your voice be heard.

Feedback Process

The employer has created an advisory committee and is including professional services members to provide input on the development of a feedback process. Your bargaining chair is participating as an observer on this committee.

Extended Health Plan

Your bargaining committee is reviewing options included in our extended health plan and welcome input from members. If you have suggestions on possible enhancements, i.e. point of sale cards, contact your local campus chair.

In solidarity,

Bonnie Bond
Ryan Greyeyes
Shawna North
Terri Wale
Deb Zawada-Wiebe
