Campus Chairs Update May 2016

Campus chairs update - distribution

Your bargaining committee is committed to openness and transparency with senior management and faculty. On a go-forward basis, we will be sharing our campus chairs update with both groups.

Steward nominations and elections

Thanks to those members that have stepped forward and are now a steward. There are still a few vacancies. If you are interested in getting more involved, contact your local campus chair. Members are also reminded that they are welcome to contact any steward; it doesn't have to be the elected rep from your area. Updated steward lists will be posted on our website (www.ps.sgeu.org) once campus committee positions are filled.

Subcommittee representatives

The following subcommittees representatives for a three-year term starting next fall are:

- Job evaluation committee (JEC) – Deb Zawada-Wiebe
- Job evaluation appeal committee (JEAC) – Ellen Leaman

Are you graduating from a post-secondary institution?

Your bargaining committee would like to recognize the accomplishments of our PSBU members. If you are/have completed a credential from a post-secondary institution, let your campus chair know and we'll publish your achievement in an upcoming edition of the SGE-You sector newsletter.

Bargaining committee at Moose Jaw Campus

Your bargaining committee will be holding its monthly meeting at the Moose Jaw Campus in June. We look forward to having lunch with the local stewards.

Did you know...

...that SGEU 'Portaplan' provides term life insurance, accidental death and dismemberment insurance, young adult security insurance, and dependent life insurance? The rates are amazingly low – and they are the same for men and women! Details on how to apply are available on the website <http://www.sgeu.org/benefits/portaplan>

Go green – AKA paperless

Please consider the environment and refrain from making paper copies of this information. Copies of campus chairs update are available for viewing on our website www.ps.sgeu.org.
