Collective agreement

Our collective agreement expires on June 30. Your bargaining committee anticipates that we won't be bargaining until the fall. Once we start bargaining, we will be posting updates on our website. Make sure you are checking it regularly for current information.

Parking

PSBU has sent a joint letter with SPFA requesting that Saskatchewan Polytechnic freeze the current parking rates.

We received notification on June 18, 2016, that Saskatchewan Polytechnic "*will not be able to accommodate this request*".

Your bargaining committee wishes everyone a relaxing and enjoyable summer.
